P4-40-5248	4000 lbs	3/8"	28"	52" x 48"	59" x 61"	1	30	115/1/60	1800 lbs

Other platform sizes available, price on request.

Features

- Lowers to floor height so load can be loaded on or off with a hand pallet truck
- Foot switch allows operator to adjust height of pallet for loading/unloading at the most convenient working height with minimum reaching or lifting
- Easy and safe pallet loading with narrow side panels to provide operator protection.
- Easily moved with a hand pallet jack
- Standard voltage is 115/1/60
Other voltages are available
- Any of the following controls may be specified at no additional cost:
 - NEMA 1, up/down, footswitch with cover and 10-foot control cord
 - NEMA 4, up/down, hand held pushbutton with magnet and 10-foot control cord
- All standard P4s are shipped with the following: Internally mounted power unit and reservoir filled with hydraulic oil
- Photoelectric toeguard
- Standard control voltage is 115/1/60
- 10-foot control cord pre-wired
